Privacy Policy

Preamble

Spiritualism New Zealand respects the rights of their members as stated in the New Zealand Privacy Act 1993. Please contact us if you have any questions regarding our privacy policy.

Policy

1. Our privacy policy is governed by the New Zealand Privacy Act 1993.
2. When you provide personal information (e.g. through our membership area) we will use this information for the stated purpose and will not disclose the information with any third parties.
3. When you visit our site we collect statistical information about your visit. This information is used to help us improve the site and for no other purpose. Information about your visit is combined with the data from all our visitors and is anonymous.
